Finishes

White or black, wet painted.

Mounting

Suspension type: Cable 2x0,75mm².

Canopy: Yes. Cable length: 4m. For mounting instructions, see download section on the product detail page.

Information

The white version is supplied with a white cable and the black version is supplied with a black cable. Compatible with leading and trailing edge mains dimmers. Please note that low power consumption on some products can affect dimming properties. This product is fitted with an integrated energy-saving LED light source. Should you wish to replace it, please contact Louis Poulsen so we can help you purchase the correct LED Replacement Kit. Please note that LED-replacement should always be carried out by an authorised electrician. For the E-socket product variants, bulbs are not included. LED light source is part of the product.
