MATERIAL	.....	Stainless steel
QUANTITY PER PARCEL	.....	1
PACKAGING DIMENSIONS	.....	L:37,5 W:37,5 H:48 cm
PACKAGING WEIGHT	.....	14,85 kg
MAX LOAD CAPACITY	.....	100 kg

VARIATIONS

SILVER
Art. No.
510940004081

CARE GUIDE — METALS

HOW TO CLEAN / POLISH

To ensure a long lifespan of brushed stainless steel surfaces, it is recommended to clean the product with a soft, damp cloth. The surface should always be wiped dry with a dry cloth to avoid the formation of stains.

Cleaning products, chemicals or abrasive cleaning agents must not be used when cleaning the product. Please note that vigorous polishing may damage the surface.

STORYTELLING

CURVA SOLID STOOL / BY AYTM DESIGN TEAM

The CURVA SOLID Stool transforms the iconic CURVA shape into a compact sculptural object crafted from solid stainless steel. Defined by its continuous curves and sharp precision, the stool combines softness and structure in a refined architectural expression.

The reflective steel surface interacts with light and space, creating a dynamic appearance that changes throughout the day. Both functional and sculptural, the stool can be used as seating, a side table, or a standalone object that adds depth and character to the interior.

Grounded in materiality yet light in expression, CURVA SOLID brings movement, reflection, and presence into any space. You can also find our new CURVA SOLID bench in the polished stainless steel look.

THE CURVA FAMILY

Inspired by the waves of the ocean, the CURVA family refers to a mild summer day where a warm breeze and blue skies dominates the atmosphere. With the simple curves and contours, CURVA casts beautiful shadows and reflections that adds dimension and dynamic to any space. The overall appearance of CURVA takes on a light touch and blends perfectly into any setting. The simple wires creates a sleek, yet sculptural, expression that combines practicality with aesthetic with a functionality that is determined solely by your imagination.
