### Information

An integrated memory function ensures that the lamp will return to its latest adjusted lumen output when power has been removed and restored. This product is fitted with an integrated energy-saving LED light source. Should you wish to replace it, please contact Louis Poulsen so we can help you purchase the correct LED Replacement Kit. Please note that LED-replacement should always be carried out by an authorised electrician. For the E-socket product variants, bulbs are not included. LED light source is part of the product.

## Variant Options

For particular variant options, please check our online Product Variants Configurator on the product detail page.
