Information

Please note that the brass surfaces are untreated. This means that the surface will change over time and develop a patina. Function to set a fixed light level each time the lamp is connected to main power. LED driver integrated in wall box. Two light levels 50% or 100%. Timer function to automatically turn off the light after amount of time, selectable between off/4 hours/8 hours. Adjustable (up and down) and rotating (to the side) lamp shade. This product is fitted with an integrated energy-saving LED light source. Should you wish to replace it, please contact Louis Poulsen so we can help you purchase the correct LED Replacement Kit. Please note that LED-replacement should always be carried out by an authorised electrician. For the E-socket product variants, bulbs are not included. LED light source is part of the product.
