Information

A single push button located at the lamp will control the functions on/off and dimming. Turn on/off the light with light fading in/out. Stepless dim of the light to a suitable level between 15 and 100%. Timer function to automatically turn off the light after amount of time, selectable between off/4 hours/8 hours. Function to set a fixed light level each time the lamp is connected to main power. LED driver fitted externally on cord. This product is fitted with an integrated energy-saving LED light source. Should you wish to replace it, please contact Louis Poulsen so we can help you purchase the correct LED Replacement Kit. Please note that LED-replacement should always be carried out by an authorised electrician. For the E-socket product variants, bulbs are not included. LED light source is part of the product.

Variant Options

For particular variant options, please check our online Product Variants Configurator on the product detail page.
